

A misty Cotswold landscape with rolling green hills, a winding road, and trees. The scene is captured in a soft, golden light, likely at dawn or dusk, with mist rising from the valleys and clinging to the slopes. The hills are covered in lush green grass, and scattered trees with autumnal foliage are visible. A narrow road winds through the middle ground, and a stone wall runs across the landscape. The overall atmosphere is serene and picturesque.

# Churchyard Memorials

A range of memorials designed especially for churchyards, whereby strict rules and regulations apply.

## Honed Finish

Most granite headstones and memorials erected in cemeteries are highly polished however churchyards will specify a matt, honed finish or the use of softer natural stones such as those shown in this section.
